Detailed elegance abounds the generous floor plan with skylight's natural sunset glow from the stained-glass ceiling panel. Home includes stones, terracotta tiles, and Pewabics. Polished wood flows throughout the home, and the grand staircase offers a striking view of the stained-glass skylight from the third fr. Welcome to urban luxury, where original woods, glass, and stone are intricately balanced to reflect the charm of the era. Third floor access from kitchen, formerly servants' quarters.
